— CELEBRATION OF LIFE —

Coming to terms with the loss of a loved one is something we all experience at some stage in our lives. As well as coping with the grief there is the additional burden of arranging refreshments for family and friends at short notice. Furthermore, if guests are travelling from afar then there is also the added stress of organising accommodation.

If you are making funeral arrangements, we can help organise the wake with sensitivity and kindness. Leave it with us and we will endeavour to provide a fitting occasion to ensure your loved one will be remembered with dignity.

We pride ourselves on providing a professional but informal service and our aim is to be respectful to your requirements.

The Angel Hotel can accommodate small and intimate gatherings through to larger wakes for up to 150 guests. Catering options are available including tea/coffee and finger buffets.
